

BLACK SMOKE RISIN'

C7

I got to leave you, honey --- I got to go

some time this evening, baby --- I got to blow

F7

C7

I'm leaving on the next train --- the next train passing through

G7

F7

C7

when you see that black smoke risin' --- that's when I'll be leaving you

C7

I ain't no joker, honey --- I ain't no clown

but I'm getting heat-stroke, baby --- just stayin' around

F7

C7

so I'm leaving on the next train --- you'd best believe it's true

G7

F7

G7

when you see that black smoke risin' --- that's when I'll be leaving you

G7

F7

C7

I GUESS I'M JUST A ROLLING STONE --- ALWAYS ON THE RUN FROM TOWN TO TOWN

G7

F7

G7

TRAVELLIN' THAT ROAD ALONE --- WHEREVER THAT OLD SUN IS GOING DOWN

(INSTRUMENTAL VERSE ----- RESOLVING E7 -- G7 ----)

C7

Don't get me wrong now, honey --- you're still my girl

but I got to move on, baby --- and see the world

F7

C7

so I'll follow the horizon --- it's all that I can do

C7

F7

C7

so when you see that black smoke risin' --- that's when I'll be leaving you

G7

F7

C7

I GUESS I'M JUST A ROLLING STONE --- ALWAYS ON THE RUN FROM TOWN TO TOWN

G7

F7

G7

TRAVELLIN' THAT ROAD ALONE --- WHEREVER THAT OLD SUN IS GOING DOWN

(INSTRUMENTAL VERSE REPEAT)
