

DEMONS

(Capo 2<sup>nd</sup> – ie in E)

D                    G                    D    G                    D                    A  
--- You swear allegiance to your country --- sure that God is on your side  
D                    G                    D                    G                    D                    A  
--- You say you're fighting for democracy --- you talk of patriotic pride

C                    G                    D  
--- YOU NEVER STOP TO SEE THE OTHER PERSON'S VIEW  
C                    G                    D  
--- YOU NEVER KEEP AN OPEN MIND  
C                    G                    D  
--- IF JUST FOR ONCE YOU DARED TO FACE UP TO THE TRUTH  
F                    G                    A  
--- GOD KNOWS WHAT DEMONS YOU MIGHT FIND

D                    G                    D    G                    D                    A  
--- You say we all should pray to Jesus --- that he's the only hope we've got  
D                    G                    D                    G                    D                    A  
--- You tell us how to live so righteously --- but still there's something you forgot

(CHORUS)

(INSTRUMENTAL VERSE + CHORUS)

D                    G                    D    G                    D                    A  
--- You watch the world on television --- you see them fighting fire with fire  
D                    G                    D                    G                    D                    A  
--- You see it all through tunnel vision --- those politicians you admire

(CHORUS)

D                    G                    D    G                    D                    A  
--- You're so secure in your conviction --- you're sure it's where we all belong  
D                    G                    D                    G                    D                    A  
--- I guess it never once occurred to you --- that there's a chance you might be wrong?

(CHORUS)
