

I miss you every day

(Key of D)

1/ 1/ 4/ 1/
In the fields and in the hedgerows all the snow has disappeared
1/ 1/ 5/ 5/
And once again I'm thinking of the time when you were here
1/ 1/ 4/ 1/
Those memories live forever and will never fade away
1/ 5/ 1/ 1/
For I miss you; I miss you every day

1/ 1/ 4/ 1/
And I think of all those places that were part of you and me
1/ 1/ 5/ 5/
Plans we made together that were never meant to be
1/ 1/ 4/ 1/
For this castle it was built of sand and now is washed away
1/ /5 1/ 1/
And I miss you; I miss you every day

**5/ 5/ 4/ 1/
I miss you in the summer when the morning sun is
fine**

**4/ 1/ 4/ 5/
I miss you in the evening just to hold your hand in
mine**

**1/ 1/ 4/ 1/
I guess it's true I miss you now in almost every way**

**1/ 5/ 1/ 1/
I miss you; I miss you every day**

1/ 1/ 4/ 1/
Now the days are getting longer as we move towards the spring
1/ 1/ 5/ 5/
And I wonder every morning what another day will bring
1/ 1/ 4/ 1/
I tell myself I'm doing fine and everything's OK
1/ 5/ 1/ 1/
But I miss you; I miss you every day

(Chorus)
