

You bring out the love in me

(Key of G)

/1 /6- /4 /5 /1 /6- /4 /5 /

/1 /6- /4 /5
--- You tell me I assume too much ----- I'm too possessive, out of touch
/1 /6- /4 /5
--- with all the things that crowd your mind ----- I never meant to be unkind
/1 /1+ /4 /4-
But you --- bring out the love in me so strong --- it's big enough to keep me
/1 /5 /1 /5
Hoping that we'll always be together

/1 /6- /4 /5
But I -- really learnt a lot since then ---- and now I realise where I've been
/1 /6- /4 /5
--- in a world of make believe ---- I should've known when to leave
/1 /1+ /4 /4-
But you --- bring out the love in me so strong --- it's big enough to keep me
/1 /5 /1 /1
Hoping that we'll always be together

/3(7) /6- /4 /1
--- You tell me that it makes you scared to think how people care
/6- /5 /4 /5
You wonder why they talk of love -- and want to have you near
/1 /1+ /4 /4-
well – I can't speak for everyone --- they've got their reasons and I've got one
/1 /5 /1 /5
It's just that you bring loving out in me

(Instrumental verse – repeat bridge)

/1 /6- /4 /5
--- I still recall the times we shared ----- times in laughter times in tears
/1 /6- /4 /5
--- but I don't want to make you sore --- it's just a song and nothing more
/1 /1+ /4 /4-
But you --- bring out the love in me so strong --- it's big enough to keep me
/1 /5(7) /1 /5
Hoping that we'll always be together
